

**QUESTIONS AND ANSWERS #3**  
**REQUEST FOR PROPOSAL FOR**  
**Taylor TSC, Transportation Improvement Plan**

**QUESTION 1:** The RFP states that "Interested consultants are requested to submit proposals and work plans based on this preliminary scope of services." For the purposes of format as outlined in the Vendor Selection Guidelines, would this be considered a "Technical Proposal" (since it is to include a work plan), or is it subject to the page limits specified for a standard Proposal?

**ANSWER 1:**

Use Standard proposal guidelines as outlined in the Vendor Selection guidelines.

**QUESTON 2:**

Two anticipated start dates are presented in the RFP: June 1, 2005 and April 1, 2005. For the purposes of developing a schedule and indicating team capacity, should the June 1st start date be assumed?

**ANSWER 2:**

Assume June 1<sup>st</sup> start

**QUESTION 3:**

Task 5.1 states there are three roadway improvement scenarios and Task 6.1 states there are six. Can you please clarify?

**ANSWER 3:**

Transportation Scenarios refers to all modes of transportation. Roadway improvement scenarios is just for road solutions only.

**QUESTION 4:**

Is there a page limit to the work plan, and in what section should it be included? The standard RFP format does not include a work plan.

**ANSWER 4:**

See Vendor guidelines. Work plan has changed to other sections in the Proposal. Each section has the page limits specified.
